

Stone Curlew

Burhinus oedicnemus

SEASONAL BEHAVIOUR

Can be seen throughout the year.

DISTRIBUTION

Breeding not yet proven in Huelva though there are spring records from Encinasola. In Seville breeds on the steppes of Guadalcanal although also spotted around La Puebla de los Infantes. In Córdoba lives in cropland of Guadalquivir Valley (Algarrán, Montoro). Also very scarce in Jaén, confined to certain areas of the olivegrowing *campiña*.
